RE: CLEER tasks & accomplishments, July 1-31, 2011 for Department of Local Affairs / Garfield Clean Energy Program (formerly Garfield New Energy Communities Initiative); CL09001.3.1 Greening Government; Invoice # 380

Worked with GCE partners to determine additional ways to green government facilities and best use of remaining grant funding.

Reviewed Ennovate preliminary audit materials to determine higher pay back or low cost opportunities on GCE partner facilities.

Continued to evaluate options for Carbondale pool solar thermal by researching solar panel options and suppliers, and T-SOL software so that we could size system. Prepared email for Solar Flair with sizing options for their analysis and review.
