Garfield Clean Energy Challenge for Homes

HEAT TAPE TIMER REBATE RULES

Who is eligible: Households who have registered for the Garfield Clean Energy Challenge and have submitted a signed Utility Bill Release Form. Official owners of record of a residential property located within Garfield County. Landlords are welcome to apply for rental properties located within Garfield County.

What homes are eligible: Single family homes, duplexes, triplexes and townhomes. New construction is not eligible.

What heat tape timer installations are eligible:

- Heat tape timer for plug-in systems is an eligible do-it-yourself measure.
- Electrician-installed heat tape timer must be done by a licensed electrician – do-it-yourself installations are not eligible.
- Timer purchases or installations done on or after October 27, 2010, until program funds are depleted.

Submit your complete rebate application and documents within 60 days after your heat tape timer is purchased or installed. Funding is limited, don't delay.

Required documents: Copies of ALL dated invoices and receipts, your IRS Form W-9 AND signed Utility Bill Release Form must be submitted with rebate form. Also include photocopy (both sides) of your canceled check used to pay your contractor. Your rebate application form also must be signed.

Fine print

1. Rebate program is subject to change without notice and rebate offers may increase or decrease without notice.
2. CLEER, Garfield Clean Energy and Garfield County are not responsible for items lost or delayed in the mail, or any rebate delayed due to incomplete or incorrect rebate applications; are not responsible for any taxes that may be imposed as a result of your receipt of any rebate; and disclaim any and all liability, loss or damage that may arise as a result of the applicant's or contractor's participation in this program.
3. Your rebate check will be issued by Garfield County and the funds are ARRA funds from the Department of Energy, thus the requested paperwork is required.
